### PROFILE

I'm a Front-end Developer with 6 months of experience in front-end development. I have worked with teams in different areas of expertise in the tech space. What stands me out in the niche is my ability to obtain new technologies agilely, collaborate cooperatively with team members, and stay up-to-date with industry trends and best practices.

### WORK EXPERIENCE

- SIDMACH Technologies** 2024 - PRESENT  
Front-end Developer Intern
  - Contributed to the development of a web application/App Students engagement to learn (Estudy Waec), Uploading Data into the website.
  - Independently worked on personal project to improve my skills.
  - Collaborated with senior developers to troubleshoot technical issues and improve code efficiency
